

BOARD OF CAPTAINS
DECEMBER 09, 2009, 6:30

The meeting was called to order by President Hollis Levy.

Be sure and note that Ada's last name is now Porter. Also, the Celtic Cowgirls have had a captain change, so the information needs to be updated on the website.

Teams that are eligible to play in the State Cup need to decide soon if they want to commit. The 030 State Cup is the weekend of 2/20/10 and the Open State Cup is the weekend of 4/10/10. Claudella will send out an email to confirm commitments. The fee is \$225. She will also let teams know what the date is to freeze rosters.

Opening day for the Spring Season is 2/14/10. The team fee is \$350 for the season, with ref fees remaining the same as they were in the fall. Teams need to mail in their registration fees no later than 1/15/10 to the P.O. Box at the bottom of the webpage. The hope is for 10 games per team with a couple of weeks allowed for make up games.

There is a potential new team that wants to join the league in division 1B called the Dynamos Chicks.

There were a lot of cancellations in the fall. Give careful consideration prior to canceling a game. There are generally no make ups for cancellations. There were a lot of problems determining standings for the fall fairly since there were a lot of rain outs. Teams can get together to work out making up these games, but it takes a lot of effort to schedule a field and the refs and the cost would be large. A note, we do get credit from the County when they rain out the fields. Jess will make an effort to try and fill up fields if there is a cancellation, but she needs to know ahead of time. In order to try and amend the by-laws for a better way to come up with fair standings when rain outs become an issue, the creation of a subcommittee was suggested, led by Jen & Jen and joined by Claudella and Dawn, to come up with a proposed change.

A vote was taken by division to determine which divisions were willing to play crossover games. The results were as follows:

- Division 1A – No
- Division 1B – No
- Division 2 – No
- Division 3 –Yes
- Division 030 – Yes

There was also a proposal that a vote be taken at the next meeting to change the by-laws from limiting the number of players on a team roster to 25 to making the number of players on a team roster unlimited.

An update was given on the Winter Soccer camp. There were about 15 attendees. You can pay for the entire session or pay as you go, \$15 per week. There are indoor facilities available, so it won't be rained out. Good information for players of all levels.

Some dates were suggested for the tournament in 2010. Possibly sometime in June. We would still like to have the games at night. Melissa will investigate scheduling conflicts for June and will let Lorie know what she finds.

The meeting was adjourned at 8:00.
